"AFFLICTED READ!"
DR. RAPHAEL'S MARRIAGE ALMANAC
 is the most complete and reliable of its
 kind. It is designed to show the fearful con-
 sequences of excessive sexual indulgence and
 immoral sexual habits. It is written in an
 interesting and readable style, and is recom-
 mended to the moral and religious youth.
 It is the very best and most needed warning
 to the young people of this country against
 indulgence. The snoring laws of nature are
 plainly revealed, and the road to purity is
 shown.

Let no young man enter the secret obli-
 vious of married life without reading every
 page of this book.

It discloses secrets that every one should

ALL HAIR!—Something for the Million.

PROF. WOOD'S HAIR RESTORATION.

WE CALL THE ATTENTION OF ALL GENTLEMEN who are afflicted with falling-out of the hair, and who are desirous of regaining the luxuriant growth of the hair, to the fact that the use of our celebrated preparation will not only stop the hair from falling out, but will also cause it to grow again, and will give it the color and texture of the hair of the natural build; and hence, a single dressing for the hair, will preserve its color and keep it from falling to extraneous colors, and will also cause it to grow again upon the bald, the gray, or discarded in sections; it is, and it cures the young as they grow bald, and the old, or the grizzling curls, without it. Its price is upon the liquid of the

PROF. O. J. WOOD: With confidence, I recommend your *Fair Restorative* as being the most efficacious article for the treatment of the Walpole and other preparations of the day without exception. Since using your *Fair Restorative* my hair has grown again. I was always white hair gradually growing bald. And I am free confident, that a few more applications will give me a full head of hair again. It has also relieved me of all dandruff and unpleasant itching, so common among persons of my age.

DR. J. M. RILEY: I have used your *Fair Restorative* at North East Pennsylvania, Mass. and I am

SIR: In consequence of having had several years past been grey but lately I have had my hair cut off and my head shaved. I have only cut it off grey but I have a bid it from view; but some three months since I was induced to use your *Fair Restorative* and I have had my hair grow again and is almost blackish; for it has changed its color and is all grey and I am glad to say it is all almost blackish for it has changed its color and is all grey and I am glad to say it is all

full in better was, under the influence of the first heat only. Fortunately, however, we received it in early April, and it was the best preparation for cold use of anything we have.

W. C. WOOD—Having used your magic effect of your Hair Restorative, I thank you this upon the subject. About two years ago my hair continued to fall out, and I used many a hair restorative, but I met a friend who had used your Hair Restorative, and upon so highly of its virtues I was induced to try it. I used it but had but little success, until I began to make many other restoratives, commencing with your Restorative in June, 1884, and in a few weeks my hair began to grow again. I began to fill up, grow out, and turn back to its former color, (black). At this time, it is fully restored, and I have no more to say, and I heartily recommend it to all.

Missed Warehouse, No. 30, New York.

PROF. C. L. WOOD—Sir: I have pleasure in proving to you that your wonderful Hair Restorer is a far better preparation for restoring the hair than any other. For instance, for a few years 1850, my hair commenced falling until the top of my scalp became bald. I tried many different preparations, but after a number of years, notwithstanding I have used many celebrated preparations for restoring the hair, I have not been able to grow my hair a bit, and to my utter disappointment, found, after a few applications to the scalp, that the hair was falling out more and more. I then procured a bottle of your glorious and beautiful preparation; and by the time I had used a quart bottle my hair had begun to grow again, and I have since had a growth of hair, which is now from one to four inches in length, and growing fast.

Yours truly,
C. L. WOOD. New York, Oct. 2, 1864.

PROF. J. J. NEWPORT—Dear Sir: After reading your wonderful Hair Restorer in the journals, of your celebrated Hair Restorer, I procured a half-pint bottle, and was so much pleased with the result, that I have
